

CENTRAL PACIFIC BANK

Business Convenience Services

BUSINESS ONLINE BANKING¹

Central Pacific Bank's Business Online Banking is a fast and secure way to access your CPB business accounts. For details and to enroll, please visit www.cpb.bank/digital-banking-business. With Business Online Banking, you can authorize other users, like your accountant or office manager, to view and transact on your CPB business accounts. You can even determine the level of access for each user. Convenience and versatility are at your fingertips!

- Online bill pay and Zelle[®]
- Manage multi-user access and permissions
- Mobile banking²
- Mobile deposit service²
- View real-time account balances and pending transactions
- Transfer funds
- View check images – front and back
- Real-time stop payments
- Security alerts
- Online statements³
- 15 months of account activity history
- Download transaction history

OPTIONAL ACH PACKAGE

Upgrade your Business Online Banking with an ACH Package and get all these features for just \$0.50 per ACH item:
(ACH per item fee waived for Business Exceptional Checking account holders)

- **ACH Payments** – Send electronic payments to another party
- **ACH Receipts** – Collect funds electronically from an individual party
- **ACH Collections** – Collect funds electronically from multiple parties. Great for collecting rental payments, maintenance fees, recurring membership dues, tuition, service payments, etc.
- **EFTPS (Electronic Federal Tax Payment Service)** – Make state and federal tax payments electronically
- **Payroll Direct Deposit** – Credit your employees' checking or savings accounts regardless of where they are held in the U.S.

ACH functionality is subject to approval. ACH (Automated Clearing House) is an electronic network in the U.S. that allows for the transfer of funds between financial institutions.

For more Cash Management services, ask us about iBusiness Central.
